#### **Promote patient safety**

• Be ready for the next patient or user with a display and optional stand<sup>3</sup> that are sanitizable with germicidal wipes.<sup>1</sup> The display is IEC 60601-1-2: 2014 compliant<sup>2</sup> for use near patients and staff and the front is IP 32<sup>4</sup> rated against water ingress.

#### Out-of-the box image accuracy

• Help ensure accurate, consistent image viewing between healthcare professionals and for patient consultations and image verification with a DICOM Part 14 compliant display.<sup>2</sup> See more and scroll less on the WUXGA 24-inch diagonal screen.

#### Create an efficient workspace for high-traffic areas

• Attach<sup>s</sup> select HP PCs behind the display for a compact, integrated solution that's perfect for medical carts or busy and shared spaces like nurses or charting stations. Mount<sup>s</sup> on a wall or arm with the VESA pattern.

### Featuring

- Connect PCs and specialty devices with HDMI, DisplayPort™, VGA, and USB ports.
- Get the reassurance of a display that's built for a long life, rigorously tested, and backed by the stringent HP Zero Bright Dot Guarantee.
- Work comfortably with adjustable tilt, height, and swivel settings on the optional, sanitizable stand.
- Rest assured that your IT investment is supported by a three-year standard limited warranty, and optional HP Care service.
